

Fifth Annual preASA Meeting of the OAPRS

October 17, 2008 - Orlando FL

Credits

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of North Texas Health Science Center at Fort Worth Office of Professional & Continuing Education and the Camenae Group, Inc. The University of North Texas Health Science Center at Fort Worth Office of Professional and Continuing Education is accredited by the ACCME to provide continuing medical education for physicians.

The University of North Texas Health Science Center at Fort Worth is accredited by the American Osteopathic Association to award continuing medical education to physicians.

Physician Credit Statement

The University of North Texas Health Science Center at Fort Worth designates this educational activity for a maximum of 8.5 ANA/PRA Category 1 Credits.

The University of North Texas Health Science Center anticipates this program for 8.5 hours in Category 2A CME credit hours, pending approval by the American Osteopathic Association CCME.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Fifth Annual PreASA Meeting is jointly sponsored by:

the Orthopedic Anesthesia, Pain and Rehabilitation Society
The University of North Texas Health Science Center of Fort Worth and
The Camenae Group, Inc Healthcare Communications

Location

The conference is being held at the Rosen Centre Hotel

9840 International Drive Orlando, FL, 32819 USA
Tel: (407)-996-9840 Fax: (407)-996-0865

Ideally Located In The Heart of Orlando

The 24-story Rosen Centre Hotel is adjacent to The Orlando Convention Center (all concourses), 15 minutes from the airport, and within walking distance to numerous restaurants and shops. Luxurious accommodations in the 1334 newly-renovated guestrooms include 80 suites and 2 Club Level Floors, home to the Concierge Lounge. Culinary experiences range from casual to elegant, indoors or out, from the 7 restaurants/lounges including a 24-hour New York-style deli. Easy access to I-Drive Trolley is available for affordable transportation to area attractions and restaurants, including The Capital Grille, Dan Marino's, Oceanaire, movie theatres and entertainment clubs at Point Orlando.

Hotel reservations should be made through the ASA housing bureau

Objectives

Program

Faculty

Objectives	Program	Faculty
<p>It is established that the outcome of patients undergoing major orthopedic surgery depends upon anesthesia and postoperative pain techniques. With the support of the orthopaedic anesthesia, pain and rehabilitation society this conference has been planned to provide education to increase the ability of anesthesiologists and other interested health care professionals to perform and/or understand anesthesia and acute postoperative techniques in order to optimize immediate recovery of patients undergoing orthopaedic procedures.</p> <p>Following completion of this program, participants should be able to:</p> <ul style="list-style-type: none"> • Explore the role of prophylactic multimodal analgesia techniques in the perioperative care of the patient with obstructive sleep apnea. • Describe the mechanism of action of Capsaicin in decreasing postoperative pain following joint replacement. • List the clinical indications for use of Dexmetomidine in Orthopedic Anesthesia. • Illustrate the risks and benefits of both continuous wound infusion and continuous nerve blocks in regional anesthesia. • Identify the role of pregabalin in the pain management of the surgical patient. • Discuss the implications for complications during regional anesthesia. • Describe best practices for the use of continuous nerve blocks in ambulatory surgery. • Identify special concerns pertinent to the use of anesthesia during a trauma disaster. • Through a hands-on workshop, demonstrate the use of ultrasound and stimulating catheter. <p>Faculty Disclosure Camena Group relies upon its faculty to provide information in a manner that is objective and as free from, bias as possible. Instructors are asked to disclose all commercial relationships relative to the context of their presentation. *Indicates faculty member has no relevant commercial relationships.</p>	<p>Friday, October 17, 2008</p> <p>7:30 AM Registration & Continental Breakfast</p> <p>8:00 AM Indications of Dexmetomidine in Orthopedic Anesthesia TBD</p> <p>8:45 AM Capsaicin for the management of postoperative pain following joint replacement Keith Candiotti, MD</p> <p>9:15 AM ASA Update Roger A.
